Maturity Date _____ Amount: _____ For value received, I promise to pay AYALA MULTI-PURPOSE COOPERATIVE (AMPC), or order, the sum of PESOS: _____ _____ (P _____) in _____ equal semi-monthly auto debit deductions from my Nominated BPI Account. I hereby authorize AMPC to implement this ADA as stated in my submitted ADA form to BPI every 15th and 30th of the month, the amount of Pesos _____ (P _____) commencing on _____ until the loan is fully paid. I waive presentation of payment, demand, protest and notice of protest and dishonor of this Note. As security for the full payment of all my obligations under this Note, I hereby assign by way of security all of my rights over my share capital with AMPC. In the event of my failure to pay any of the loan amortizations of this Note and/or any of my obligations hereunder, AMPC can collect the entire balance of this Note and all other balances due to AMPC by applying my share capital with AMPC as payment thereof without need of advice. I expressly waive the right to be notified of such application of payment. In compliance with Cooperative Development Authority (CDA) regulation on prohibition of partial share capital withdrawal, the collection of unpaid amortization from my share capital will also automatically terminate my membership in AMPC and any remaining share capital shall be credited to my Nominated BPI Account. In the event that this Note is not paid in accordance with its terms, I agree to pay in addition to the above stated interest, a compounded monthly penalty fee equal to three per cent (3%) of monthly amortization until the loan is fully paid. In case of collection through third party or should AMPC be obliged to institute legal action to enforce collection, I agree to pay attorney's fees plus costs of suit and/or collection costs equal to thirty percent (30%) of the principal and interest due at the time of the institution of the action or Three Thousand Pesos (P3,000.00), whichever is higher. A cooling-off period of three (3) working days is granted from the date the net loan proceeds is credited. During the cooling-off period, the borrower may cancel or terminate the loan without penalties. The borrower should submit a written notice to AMPC and should return the full net loan proceeds. The borrower shall be entitled to a refund of the fees or payments made, if any and as applicable. AMPC, however, reserves the right to collect reasonable processing fees equivalent to 0.5% of loan amount to cover the costs incurred during the loan processing. I hereby acknowledge and authorize: 1) the regular submission and disclosure of my basic credit data (as defined under Republic Act No. 9510 and its Implementing Rules and Regulations) to the Credit Information Corporation (CIC) as well as any updates or corrections thereof; and 2) the sharing of my basic credit data with the other lenders authorized by the CIC and credit reporting agencies duly accredited by the CIC. In compliance with Republic Act No. 10173 known as the Data Privacy Act of 2012 (DPA), I hereby give full consent to AMPC to collect, record, organize, store, update, use, consolidate, block, erase or otherwise process information, whether personal, sensitive or privileged, pertaining to myself and the transactions subject hereof which will be used for the implementation of this Note. I acknowledge that I have read, understood and/or have been duly informed of the terms and conditions pertaining to the data privacy practices of AMPC as reflected in the AMPC's Data Privacy Policy at www.ayalacoop.com and I hereby express my full conformity thereto.
